JUSTICE FOR TRAYVON MARTIN

**WEDNESDAY
AUG 28**

THERE IS A RACIST WAR AGAINST BLACK & BROWN YOUTH

Youth of color are routinely profiled by the police, security personnel and self-appointed vigilantes like George Zimmerman. Trayvon Martin has become the face of the many young people who have been stopped-and-frisked and sometimes beaten and killed by the police. The police and the courts have created racially motivated drug laws that have been used as an excuse to incarcerate a huge percentage of young generations of Black and Brown youth. These same youth have the highest unemployment rate, and the jobs they are forced to take are low-wage jobs without benefits, rights or union representation. The anti-youth war also includes massive cuts in education, including school closings in Black and Brown communities. We must turn our anger over the lynching of Trayvon Martin into a new nationwide struggle to stop the war against Black and Brown youth. This is the best way to honor the legacy of the 50th anniversary of the 1963 March on Washington for Jobs and Freedom.
