Can **W** **O** **E** Live?

1. Healthy, toxic-free food.
2. Jobs, not jails —
Promote union rights; defend public workers & Social Security; demand a livable wage and/or guaranteed income, pay equity; end discrimination based on age, nationality, disability; cancel credit card & student debt.
3. Healthcare for all; Demand reproductive justice; hands off Medicare and Medicaid; restore/expand all social programs.
4. Free quality education from cradle to grave.
5. Housing is a human right — No foreclosures, evictions, utility shutoffs; end homelessness,
6. A healthy planet & clean environment.
7. Legalization, not deportation — Unite families; end ICE raids and detentions.
8. No domestic & state violence against women — Stop sexual exploitation, trafficking & racist police brutality; restore safe houses.
9. No imperialist war: Stop violence against women in the military & in occupied lands; bring all troops home.
10. Full rights for lesbian, gay, bisexual, transgender and queer people.
