STRUCTURAL RACISM

We are joining hands with our sisters and brothers across the country that are holding tribunal sessions on police terror and structural racism. Come out to testify, speak out! Have you been abused or beaten by the police? This will be your opportunity to speak out.

Are you a student or a member of the community who would like to concretely support the struggle against racism and police terror, come out and learn what you can do to help.

Be a part of a campaign to end police terror!
