

# SHUT IT DOWN FOR MICHAEL BROWN

**1 Year Commemoration of the Murder of  
Michael Brown, the Ferguson Rebellion,  
and the Black Lives Matter Uprising**

Last August, the execution of another unarmed young Black man, Michael Brown, on the streets of Ferguson, MO ignited a rebellion against racist police violence. That rebellion spread across the nation and the world. The Black Summer coalition, which includes many of the forces that have been fighting police violence, invites you to join us to commemorate the one year anniversary of Ferguson. The police war against Black and Brown people must end. **ALL LIVES WILL MATTER WHEN BLACK LIVES MATTER!**

**Sunday,  
August 9  
at NOON,  
Barclays  
Center,
